

## COMPLETE TRAINING MATERIALS SPECIAL

\$147.95 (To order call Irenee)

The tools and materials offered in this package provide all that is needed for the finest finely-tuned color and body analysis possible. When correctly used, the individual will know the truth of it and they can feel it. Moreover, it lasts a lifetime

because it is the classic teaching in this field based on sound color and line principles and *The Law of Attraction*.

Previously, colorists paid substantially for the tester-tools and books but were trained at no charge. The great internet and website response has changed everything—*The Science of Personal Dress Complete Study* is so well illustrated and structured that people can now train on their own if they have a few tools. These materials are the culmination of many years experience to provide you with everything you need for a remarkable outcome to not only know what and why, but how these concepts whittle away all the unnecessary, and reveal the essence of style for each person.

### Details of the complete set of training materials and tools include:

- Color Analysis Tester

This sturdy, durable tester is the ultimate color analysis tester. It is 8 1/2" x 11" with a cut out for the neck ties to secure the tester around the neck. Each page is designed with color coated ink-dyes to illustrate the basic six colors of each color family; this makes 60 testers plus 20 half-page combination tester colors. The first thirty testers also double for makeup and eye colors and the last thirty colors represent hair colors. The pages are thick enough to arrange and display color combinations which represent percentages of warm, cool and balanced colors.

- 4 Profile Booklets

- 8 Inter-season Booklets
- 4 Women
- 4 Men

- **KEYSIZE TESTER**

This unique tester is an essential “key” to a person’s dress. It is Important because it is based on the size, shape and spacing of face features and indicates if small, medium small, medium, medium large or large inside lines are best. This balance impacts every aspect of dress. Includes 20 keysizes of 4 basic patterns in sturdy card stock with cut-out neck for easy use. 8½ x 11”

Example of 20 patterns; 5 size stripes, 5 size polka dots, 5 size buttons and 5 size bows.

The keysize applies to everything from head to toe: size of curls, glass frames, collars, patterns, buttons, bows, straps, pleats, cuffs, buckles, belts, purses, jewelry, watches, bands, rings, bracelets, flaps, ruffles, trims, barrettes, hats, and textures.

- **Hair and Eye Color Chart**

This innovative hair and eye color display chart has been designed in harmonic sequence to help see where one fits into the scheme of things and the order and beauty of human coloring.

This chart is a vital tool for beauticians and those working with hair coloring—used in conjunction with the Color Tester guarantees best results possible. 8½ x 11” laminated chart

- Color Display Chart

Important tool to see exactly where you are as you test through the colors. Also validates your work as you recognize the mathematical relationship to a person's best colors in all the color families.

Full instructions on how to use this chart to advantage is included. Excellent display of bright-clear colors show on the left-half-side of each color group; and the more muted-opaque colors show on the right-half-side of each group.

Makeup, eye colors and accent colors are displayed in the first row of ovals going down; hair neutral colors are displayed in the second row of ovals. 8½ x 11" laminated chart

Note: The Color Analysis Tester comes with adequate yarn strap.

Optional: if desired, you may order the professional leather strap as shown on the color tester above. \$15.00
